More than you can shake a stick at!

That's your number of chances to win when you use a commute alternative and keep track of it! When you walk, carpool, ride the bus, vanpool or ride your bike, you save money on fuel and vehicle maintenance, plus you also help reduce traffic congestion, fuel consumption and air pollutants. It also gives you a chance to enjoy your commute and relax more and if you bike or walk to work, you could even be getting that 30 minutes of daily doctor recommended exercise too!

From January 1 to March 31, every time you use a commute alternative and keep track of it on MyCommute.org, you increase your chances to WIN a \$50, \$100 or even \$250 gift card. Be sure to get on the stick and LOG your commute trips. You'll have more chances to win than you can shake a stick at!
