

EASTERN WASHINGTON UNIVERSITY

start something **big**

Welcome to MyCommute.org

EWU Students who are currently enrolled and have an Eagle Card identification, and **faculty and staff** in current pay status who participate in the CTR program by completing their monthly calendars, (no matter what mode of alternative transportation used), will be able to ride the Spokane Transit Bus System for free. Just swipe your ID card in the fare box. You may ride the bus anytime and anywhere the bus system travels.

Here's how it works:

Go to <http://www.MyCommute.org> to register. Click on New User near the top of the page, next to the Login.

Student's Log-In code is: EWUS
Faculty/Staff Log-in code is: 5LTR

Fill out the commute profile registration form using your EWU email, then click on Create Commute Profile. It takes you back to the home page where you can log in to fill out your commute calendar.

To fill out your calendar, click on the date in the calendar and select the mode of transportation in the drop down box. The calendar will automatically update for you. You can also use the Quick Calendar Update at the bottom of the page. Check the days you participated and the mode used and hit submit. It will fill the calendar in for you. Not sure what date you are checking? Hover over the box and it displays the date.

Choosing to bus, carpool, bike, skate, or walk to campus allows you to become eligible for incentives. Additional benefits include saving money, improving your health, and helping to sustain our environment by improving air quality.

Create your commute calendar today and make a difference!

In 1991, Washington State Legislature passed the Commute Trip Reduction (CTR) law as a part of the Clean Air Act. In 1993, Spokane County implemented and currently administers the Commute Trip Reduction (CTR) Law (RCW 70.94.521-5 5 1) to reduce traffic congestion, air pollution and petroleum consumption. For further information about the Spokane County CTR program, please contact Director: LeAnn Yamamoto; LYamamoto@spokanecounty.org. For further information about EWU's CTR program, please contact Employee Transportation Coordinator, Michelle Rasmussen; mrasmussen2@ewu.edu.
